

PLEASE JOIN US FOR A SPECIAL COMMEMORATION OF

# KRISTALLNACHT

dedicated to the stories of those who survived the Holocaust as children forced into ghettos, concentration camps, into hiding or on the run, and to their rescuers.

Only six to seven percent of Jewish children living in Nazi occupied Territory survived the war. Each day between September 1939 and May 1945 was a day when they could have been killed if not for a twist of fate, a chance taken, a kind person who risked their own life to pass that child, infant or youth on to someone who had the courage to act with compassion. It is a privilege to listen to these last survivors, while we still can.
