## SKIN

February 24, 2020 at 7:30pm

Museum of Tolerance

9786 W Pico Blvd, Los Angeles, CA 90035

After a difficult childhood drives him into the grasps of a white supremacist gang, Bryon (Jamie Bell, delivering a visceral, explosive performance) tries to escape to a new life, all the while questioning whether he's capable of undoing and repenting for the evil he has done.

Israeli filmmaker Guy Nattiv, whose short film of the same title won the Academy Award® for Best Live Action Short in 2019, makes his English-language feature debut with this galvanizing story of transformation, inspired by actual events.

Q&A following the screening with Director/  
Writer, Guy Nattiv, and Producer, Jamie Ray  
Newman.
