FEW PERSONAL ACCOUNTS OR ARCHIVAL MATERIAL FROM THE STONEWALL RIOTS ACTUALLY EXIST.

In **STONEWALL OUTLOUD**, the film weaves together a new, fresh account of those fateful nights through rare recordings that were part of the original Storycorps archives from *Remembering Stonewall*, a 30 year old audio documentary featuring the people who were there as the uprising began 50 years ago. New faces bring the rediscovered voices of the past to life as today's top LGBTQ talent honor the significance of this profound moment in the story of gay rights in America and the foundation of the Pride celebrations that we enjoy now.

A RECEPTION WILL FOLLOW.
