Viral: Antisemitism In Four Mutations

Thursday, March 12, 2020 at 7:00pm

Museum of Tolerance 9786 W Pico Blvd, Los Angeles, CA 90035

Antisemitism in the US and Europe is spreading. It mutates and evolves and is seemingly unstoppable. It appears as vandalism, social media abuse, assault and murder. Director Andrew Goldberg and Producer and Editor Diana Robinson examine its rise, traveling through four countries to speak firsthand with antisemites and their victims and with experts and politicians including Bill Clinton, Tony Blair, Fareed Zakaria, George Will and Deborah Lipstadt.

Emmy-Award Winning Filmmaker Andrew Goldberg in conversation with the Director of the Museum of Tolerance, Liebe Geft, following the screening.
