THE TEACHING TOLERANCE CURRICULUM: K-12 LITERACY AND ANTI-BIAS RESOURCES

The **Teaching Tolerance** Curriculum is a collection of K-12, literacy-based, anti-bias, social justice resources that are aligned to the Common Core English Language Arts and Literacy standards and to the groundbreaking Teaching Tolerance Social Justice Standards. The curriculum's web-based modular design allows for maximum customization and differentiation. Come to a dynamic institute held in the experiential setting of the Museum of Tolerance to be led by experts from **Teaching Tolerance**.

Participants will leave the Institute with the tools to:

- Explain how The Teaching Tolerance Curriculum achieves the key instructional shifts called for by the Common Core State Standards for English Language Arts/Literacy.
- Integrate the Teaching Tolerance Social Justice Standards into existing classroom and school climate materials.
- Identify texts within the *Perspectives* text library for use in current lesson plans.
- Build a complete Learning Plan using the texts, teaching strategies and student tasks within The Teaching Tolerance Curriculum.
