

# Seeking Dialogue Facilitators

## MUSEUM OF TOLERANCE Tools for Tolerance® for Professionals programs

Set in the experiential environment of the Museum of Tolerance (MOT), professional development programs include custom interactive tours, special speakers, workshops and debriefs. The MOT has long been known as a human rights laboratory and educational center dedicated to challenging visitors to understand the Holocaust in both historic and contemporary contexts and confront all forms of prejudice and discrimination in our world today. Dialogue is key for supporting program goals of increased self awareness, greater understanding of the experiences of others, and responsibility for taking positive action.

We are seeking highly motivated, skilled and experienced facilitators to join our team of adjunct faculty.

MOT facilitators are independent contractors, paid hourly. Programs are usually 1 or 2 days, 8 hours per day. **To become a certified MOT facilitator, 24 hours of training is required at the Museum.**
