## ***MOTivating Teen Volunteer Program***

The *Motivating Teen Volunteer Program* is a new teen program for students grades 7 - 12 at the Museum of Tolerance (MOT). This program offers teens the opportunity to connect with history by listening to testimonies of Holocaust Survivors and by searching the Museum digital archives. Teens are asked to confront contemporary human rights issues and collaborate with their peers to promote tolerance and respect within their communities. The requirement is a one year commitment for 50 volunteer hours or more. MOTivating Teen Volunteer hours may NOT be completed solely during the summer.

Volunteer activities include training as Teen Docents to give the Public Orientation and as Exhibit Assistants for *Finding Our Families*, *Finding Ourselves*, *Remember the Children* and *Para Todos Los Niños* exhibits, the *Anne Frank* exhibit, introducing Holocaust Survivors before their presentations and assisting with art projects, special exhibitions and food drives for Museum Family Sundays.

The *MOTivating Teen Volunteer Program* is an ideal choice for fulfilling a school community service requirement. Students who successfully complete the program will receive a Certificate of Recognition.

### **The *MOTivating Teen Volunteer Program* includes three components:**

- ❑ **Self Discovery:** Completing an Independent Museum Exploration and Educational Journal.
- ❑ **Sharing with Others:** Volunteering as a Teen Docent/ Exhibit Assistant at the MOT, assisting with Family Sunday Programs, special Museum events and community drives. (50 hours).
- ❑ **Implementing What You've Learned:** *Community Outreach/Social Justice Project* summarizing the student's experience while at the MOT. Students are asked to select a topic of personal interest and share their experience with the community.

Students may choose one of our suggested ideas for their project, modify it, or develop a project of their own. Suggested project ideas may include oral or video presentations, art work, essays or even fundraising projects. Students will make arrangements to present their *Community Outreach Project* to a school, church, synagogue or other organization. The *Community Outreach Project* will have written evaluations to be completed by the student and by MOT personnel.

To apply for the *MOTivating Teen Volunteer Program*, students must fill out an application, successfully complete an interview, and commit to completing the entire program. Volunteer hours in the Museum will be documented. \$30 fee includes administrative costs and training materials. Limited scholarships are available upon request.
