Sixty years after the end of World War II, members of the Nazi party and their collaborators are still alive, but increasingly difficult to track down. The clock is ticking, but the Simon Wiesenthal Center's Israel Director, Dr. Efraim Zuroff, will not give up. Since 2002, he has directed Operation Last Chance to find the biggest Nazi criminals before it is too late. In his new book, *Operation Last Chance: One Man's Quest to Bring Nazi Criminals to Justice*, Dr. Zuroff combines the thrill of a detective story with the inherent poignancy of WWII history to tell his important and moving story of one man's efforts to bring Nazi war criminals to justice.
